A letter from our President

Welcome to our 2018 Award Emblem catalog, featuring the world's largest selection of titled pins and medals for student achievement recognition! 2018 is our 72nd year serving schools across the country, and we are honored to play a part in helping you motivate, inspire and recognize your staff and students while building school spirit.

While our competitors have sourced their products from China, we are proud that Award Emblem is an American manufacturer with a long history of quality and outstanding service. Through three generations, my family has been making our classic die-struck pins and medals right here in the USA - when you buy from Award Emblem, you are supporting America, American workers, and American manufacturing.

If you take the time to compare, you'll find our awards are priced fairly and without unseen additional charges for boxes or ribbons. And because we want to make your life as easy as possible, our awards arrive complete and assembled, while some of our competitors expect you to affix engraving plates or attach ribbons. Lastly, our price match guarantee and industry leading 100/100 guarantee let you purchase with confidence and without risk. This unique combination of value, quality, and industry-leading service keeps our customers coming back - year after year, class after class.

Whether you shop from our catalog or website, you can expect the renowned service, selection and value that have earned Award Emblem the respect of generations of educators. Together, we have much to celebrate in 2018, a year full of reasons to recognize achievement and encourage excellence!

Sincerely,

R. Jason Klein,
President & CEO
